New 3D Mould: Minimum Order 504

Joy To The World Collectibles is the leading designer of custom ornaments in our industry. We go above and beyond of just adding a logo to an existing style. We like to create pieces that reflect the personality of our clients or commemorate a specific event or milestone. We offer options for all types of budgets, and we have many signature designs that promote your brand and generate significant retail dollars all at the same time.

Please contact us to get the design process started. We provide a complete turnkey program including all artwork, illustration, sculpting, prototype development, even custom packaging. When we quote a new project, the price per ornament is all inclusive. We do not charge set up fees, mould fees or design fees. The only additional charge is domestic shipping to your final destination.

We are so fortunate to work with the finest artisans in the world to create our designs. JTTW custom 3D ornaments have the most incredible detail. We are able to truly hit the mark when it comes to creating any representative feature of your brand.

The Process

It All Begins With Clay • An Exact Replica • Glass Form Is Created • Painting All By Hand

Existing Moulds: Minimum Order 204

We have an extensive library of moulds that can be customized for you and at a much lower minimum quantity. No one else on the market can match our quality when it comes to recreating logos and representatives of your brand.

Existing Moulds: Minimum Order 204

3D Resort & Tourism Ornaments: Minimum Order 504

We love to create mini versions of your buildings and landmarks! We can do so with such detail that our 3D buildings look like tiny replicas of the originals.

3D Resort & Tourism Ornaments: Minimum Order 504

3D Post Card Ornaments: Minimum Order 504

3D post card ornaments are a signature design of JTTW. We can create moulds with two and three levels of relief to make these pieces unique and eye-catching.

Our Signature Shopping Bag Ornaments: Minimum Order 204

Who does not love a little shopping bag? JTTW has been offering its signature shopping bag ornaments for many years, and they are still a favorite custom item. They are a wonderful option to promote your brand! Available in three styles.

Our Signature 100MM Ball Ornaments: Minimum Order 204

Our specialty. We offer many different design directions using a classic 100MM ball and paint techniques that we have developed. You will not find this look anywhere else. We offer two-panel, four-panel and 360 degree designs, all beautifully crafted with the utmost detail. The 100MM ball is our best seller and number one reordered design with our custom clients.

Our 70MM Ball Ornaments: Minimum Order 200

This is a great starting place with an excellent price point, yet it still offers the quality of European craftsmanship. The 70MM format provides a second, lower price point for private label programs and gives clients the ability to provide exclusive products to their customers at a very affordable price. The 70MM products are merchandised in clear acetate packaging that works very well on the retail floor.
